DIRECTION INSTITUTE FOR IAS

## **UPSC Civil Services 2024 Exam : Slight change in the pattern of a few questions, say expert!**

The UPSC is recognizing the interplay between static and dynamic topics can enrich our understanding of both. It encourages flexibility in thinking and fosters a more nuanced appreciation of how knowledge and context can evolve over time. This awareness is crucial in navigating contemporary issues effectively.

Updates of affairs at global, national and regional levels are must, with ability to connect them to core subjects like Polity, Economy, and Geography will be crucial.

Rote memorization is no longer required as questions that assess your ability to analyze and interpret information are more asked .

Increased Emphasis on Geography -exams have seen a rise in map-based questions and a focus on global issues. Understanding international relations and their impact on India will be advantageous.

### **We in our GS Geography Classes help you develop-**

- Develop a Multi-Dimensional Approach
- Focus on Core Subject Understanding
- Practice with Previous Year Papers
- Stay Updated on Current Affairs

**Each modules classes will be 15 days; Offline / Live Online Classes., We provide conceptual clarity on each and every topic. modules includes 2 objective & 1 Subjective question tests (each module) Study material with complete coverage will be provided. Map practice as per requirement of topic.**

## **Biggest Role to play in your Prelims & Main Examination**

Geography in General Studies has at least 20%-30% weightage in prelims along with 50% weightage in GS PAPER 1 and 70% - 80% weightage in GS PAPER 3 in mains examination. You are required to get define and expertise training to make maximum of your attempts

## **New Pattern UPSC 28 - 35 Questions in Prelims Exam**

2023 Prelims have re-established that fundamentals of Geography cannot be ignored in GS preparations In order to attain desired level of understanding and confidence customization is a must. Take informed decision and let it work in your favor
